Treatment Navigators are here to help!

Your Treatment Navigator will be assigned based on geographic location so that they can provide you with the most accurate, relevant information based on where you live. However, Treatment Navigators do not provide medical or treatment advice or replace discussions with your healthcare provider.

Treatment Navigators can assist with:

- ✓ Coordinating logistical support
- ✓ Getting copay* assistance for TECELRA® (afamitresgene autoleucel)
- ✓ Arranging reimbursement and support for travel
- ✓ Adaptimmune Treatment Access Program questions

*The Copay Assistance Program is not available for patients who are enrolled in Medicare, Medicaid, TRICARE, the Veterans Affairs (VA), or any other federal or state healthcare program. The program will cover the out-of-pocket expenses of the Adaptimmune product only. Limitations apply. It does not cover the costs of any other healthcare provider charges or any other treatment costs. Patients are responsible for non-drug-related out-of-pocket costs. Adaptimmune reserves the right to rescind, revoke, or amend this program without notice. Additional assistance may be available for patients with commercial insurance with no out-of-pocket maximum. Additional eligibility requirements may apply.
